

PHOTO TRIVIA ANSWER – SPRING, 2015

Speaking of “Gen 2”, here’s a photo of the old and the new in May of 1967. Can you name the track, the drivers and the make of the “new” body style car?

The track is Wall Stadium. The competitors in this shot are (L-R): the #9 Comet of George Tet; the #57 coupe of Joe Severage; and the #89 coupe of Don Stives. We believe the car behind the #57 is Jerry Allen.
