

**JULY 18, 2015**

**WALL STADIUM**

**TRIBUTE TO “GEN 2”**

**STOCK CAR NIGHT**

“Generation 2” stock cars evolved after the coupe and sedan bodies from pre- and post-World War II years. From 1966 through the 1970s, racers used Falcons, Pintos, Vegas, Gremlins, Mustangs, and many other models.

***Come out and relive the era that changed the look of stock car racing.***

Non-GSVSCC cars are welcome to participate. Cars must have factory bodies (no sheet metal fabrication) dating from 1966 to 1980. You **MUST** pre-register.

**To Register Call Club President Ray Shea at 732-330-8349**
