

PHOTO TRIVIA ANSWER – FALL, 2016

Here's a car with an interesting history. This photo was taken at Wall Stadium in 1977. It was driven in the Sportsman division at that time. It was a famous Modified as well. Can you name this winner, as well as some other well-known drivers? As a bonus, the driver in this photo is mentioned elsewhere in this issue.

The X-8 in the above photo shows Ed Moench behind the wheel in the Sportsman division. It was originally the Modified 2jr, built by Bob Furslew, Sr. in the early 1970s. Bob was one of the top NJ car owners and builders of the 1950s and 60s. When Bob passed away at a relatively young age (in his 40s), the car was sold to Les Sculthorpe, who fielded it for drivers such as Don Stumpf, Charlie Kremer Jr., Don Stives and Tommie Elliott.
